

WE NEED YOUR HELP to promote our program!

The Maine Outdoor Heritage Fund (MOHF) has been helping to fund critical conservation and wildlife projects throughout the state since it was created by the legislature in 1996, in response to a grassroots effort from environmental and sportsman's groups.

Supported through proceeds from the Maine Outdoor Heritage Lottery Ticket, MOHF finds its funds lagging while grant proposals continue to pour in.

Please help us spread the word about our latest ticket, **"Tic Tac Doe"**. The more tickets that are sold, the more projects can be funded!

Only the MOHF lottery ticket helps fund projects in our state to secure Maine's outdoor heritage for future generations.

The latest MOHF ticket, **"Tic Tac Doe"** is in stores now!

HOW YOUR ORGANIZATION CAN HELP!

- **Forward this email to your organization's membership.**
- **Use this information in your organization's upcoming newsletter.**
- **Check with your local stores to see that they are carrying the only ticket that helps benefit Maine's outdoors and provides agents with an additional 1% commission!**
