From: Chris Weeks:President Central Maine Chapter

Dear National Wild Turkey Federation supporter;

First and foremost THANKYOU for your support of the NWTF and the Central Maine Chapter.

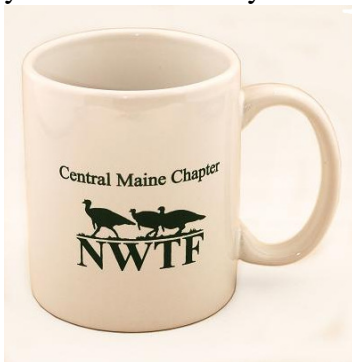

Your donation has helped our chapter continue our efforts to:

- Encourage youth activities centered around the Wild Turkey
- Encourage Women Outdoor activities
- Hunter Education programs
- Assist Inland Fisheries with Wild Turkey projects
- Help support local food cupboards

Our chapter will be hosting a Hunting Heritage Banquet March 6 2010, At

T&B Celebration Center (formally Ken's) Madison Ave Skowhegan Me. doors open at 5:00 PM

A donation or attendance from you would help to ensure that our chapter will be able to continue our activities in the upcoming year. This year we are hoping to have a better banquet. We have expanded a gun drawing to the ticket packet sales, early birds get better odds of winning. The cash door prize which is not widely know about. This years Sponsors are not only eligible for a 1 in 5 chance for a sponsor gun. **Yes that's a 1 in 5 chance** with a special gun drawing from the ticket packet as well. Looks like there will be 8 guns and a pistol this year between the raffles, games and drawings. A Jakes table is in the works so all kids attending the Banquet should take home a gift. All meal tickets this year will walk away with a Central Maine Chapter coffee mug.

Thank you for your support of the NWTF and the Central Maine Chapter.

Chris
